## **I GETTING TO AUCKLAND DERMATOLOGY**

### **Where are we?**

Auckland Dermatology is now located in the Ascot Office Park, near the Greenlane off-ramp, next to Ascot Hospital and the Ellerslie Racecourse.

### **How do I get there?**

You can drive, take a train, or catch a bus. For bus and train timetables visit [Maxx.co.nz](http://Maxx.co.nz)

If you are bringing your car, exit the motorway at the Greenlane roundabout, and head towards the Ascot Hospital. Just before the hospital, turn right into Ellerslie Racecourse Drive. Proceed to the roundabout and then right into Ascot Avenue. Drive to the next roundabout and then into the drive of the Ascot Office Park.

There are ten customer carparks available to the immediate left and right of the entrance. Please ensure you park only in Auckland Dermatology or Skin Centre parks. They are clearly marked.

Inside the front entrance (Building D), on the ground floor lobby, turn left and you will find Auckland Dermatology. We are on the ground floor.
